# Open Studios Day

## 6th June 2026

### 11:00 – 17:00

Join us on the first Saturday of June to explore the working studios of artists & makers based in Wembley Park. Friends, families, fellow creatives & dogs are all welcome to enjoy a relaxed walk through the studios, meet the artists of Second Floor Studios & Arts, and see where & how they create their work. Discover work across a wide range of disciplines, including ceramics, costume design, drawing, fashion, animation, fine art, illustration, moving image, painting, photography & more... Many artists will have commission-free work for sale, making this an ideal opportunity to purchase an original artwork or find a thoughtful gift. Admission is free.

Discover studio members via the online directory: [secondfloor.co.uk/wembley-park](https://secondfloor.co.uk/wembley-park)
