

This is **LGBTQ+** *Brent*

Join us and make a difference

Brent Council is embarking on a new venture to enhance its offering to LGBTQ+ people in the borough. This exciting new programme will serve as the basis for new services and initiatives that directly serve queer residents. To that end, Brent is partnering with longstanding queer charity LGBT HERO.

Over the coming year, Brent will undertake a number of new projects aimed at supporting a long-term LGBTQ+ inclusive strategy. These include a detailed community survey asking about queer people's health, happiness and service interactions, as well as a mapping project to identify existing queer networks in Brent.

But we can't do it alone.

We need LGBTQ+ people in Brent to make their voices heard. That's why we're asking for community groups, LGBTQ+ leaders and interested queer residents in Brent to get involved. We would love hear your perspective.

If you'd like to get involved, just fill in the details below and we'll be in contact soon.
